What is the Scholar experience like?
As a T-SITE Scholar you will be part of the larger CWIT community of Scholars and Affiliates. Academic success and professional development are achieved through a number of program elements. Members of the CWIT community are encouraged to live on the CWIT Living Learning Community in the residence halls.
All T-SITE Scholars:

- Are assigned a faculty and peer mentor in their major;
- Explore career options, develop lifelong career management skills, and identify internships, and post-graduation jobs through professional development events and an assigned Industry mentor;
- Participate in a seminar specifically designed for transfer students;
- Meet regularly with a CWIT professional advisor to set goals and track individual progress;
- Develop leadership skills through involvement in student organizations and K-12 outreach.
